

To strengthen our team, we are looking for a

Strategic Project & Funding Manager (f/m/d)

Full-Time, Austria/Linz

The *Linz Center of Mechatronics GmbH* stands for the reliable implementation of the latest research results in innovative and sustainable solutions and products in mechatronics, automation, digital product development and AI that are precisely tailored to the needs of our customers. LCM unites science and industry. Our constant drive is to successfully transfer new technologies and methods as profitable, innovative solutions into the industrial, social, and economic environment.

Do you enjoy creating and expanding networks to foster innovative partnerships that drive progress towards a sustainable, digital future? Here we go!

YOUR TASKS

- Jointly launch solutions for future topics such as the Green Deal and the Energy Challenge
- Development of project ideas in internal and external workshops
- Establish LCM as an international partner at collaboration level
- Establish and maintain networks (PPPs, EIC, EARTO, EC) with potential project partners and coordinators as well as funding agencies
- Identify suitable international funding programmes and calls for proposals (e.g. Horizon Europe)
- Preparation and, if necessary, coordination of project applications and documents in close cooperation with the project team
- Project coordination and administration
- Collaboration in the preparation of reports and project documentation

OUR EXPECTATIONS

- Successfully completed studies & good technical understanding
- Several years of proven experience in the acquisition or implementation of EU funding projects
- Good knowledge of the funding landscape and procedures
- Excellent communication skills
- Initiative and self-organisation
- Very good written and spoken English
- Willingness to travel (about 25% of working time)
- Advantageous: Knowledge of German and other foreign languages and existing national/international network

OUR OFFER

- Collegial: Phenomenal team, in which all doors are open to you for questions and new suggestions.
- Flexible: Flexitime model with home office option
- Low-bureaucracy: With us you can concentrate fully on your task
- Market-compliant, performance-oriented remuneration (at least € 4.800,- 14 times a year for full employment. The actual salary depends on the applicant's qualifications)

We are looking forward to receiving your online application by 05.05.2023 at <https://www.lcm.at/en/career/>
